

TAWSE WINERY

## Fact Sheet

**Founded:** Vineyard site purchase by Moray Tawse in 2000. First vintages in 2011. Winery construction completed in 2005.

**Winery Site:** Located in Vineland Ontario at 3955 Cherry Avenue. VQA Twenty Mile Bench

**Winemakers:** Paul Pender & Rene Van Ede

**Vineyards:** Cherry Avenue, Quarry Road, Hillside, Tintern, Limestone North Vineyard. All estate vineyard sites are certified and farmed organically and biodynamically.

**Average Yield per Acre:** 2-4 tonnes per acre

**Climate:** Temperatures in this appellation remain relatively cool in April, rising gradually in May and decreasing gradually decreasing in October. In the peak of the growing season, topography ensures maximum sunlight exposure for optimal canopy development and adequate fruit ripening. The temperature difference between the cool air over Lake Ontario and the warm air over the land create localized circulation systems that moderate the rate at which this appellation warms during the day and cools at night.

**Grape Varieties:** Chardonnay, Pinot Noir, Riesling, Merlot, Cabernet Sauvignon, Cabernet Franc, Gewürztraminer, Pinot Gris, Syrah

**Winery Production:** 30,000 cases per year

**Grape Source:** 80% Estate-Grown fruit, 20% purchased from select growers

**Availability:** Winery, LCBO, Licensees, Online, Farmer's markets

**Tours:** By appointment

**Tastings:** May-October 10-6 daily, November-April 10-5 (M-F) and 10-6 on weekends

**Private Events:** May be booked subject to size and availability. e: [info@tawsewinery.ca](mailto:info@tawsewinery.ca)
